## 2021-2022 National Technical Honor Society

The Gratiot-Isabella Technical Education Center honored 73 new inductees to the National Technical Honor Society (NTHS) this year. From both the Mount Pleasant and Alma campuses, these students have shown outstanding commitment to their CTE program throughout another unprecedented school year. Fifteen returning seniors, who were inducted during last year's ceremony, were also honored with their NTHS honor cords for graduation this spring.

# 2021 - 2022 OPEN HOUSE

GI-TEC held its annual open house on Thursday, February 10, 2022. Staff from both the Alma Campus and the Mt. Pleasant Campus, showcased their career technical education programs for the community. Students from all 20 programs volunteered to wow those in attendance with their live demonstrations, knowledge, and technical skills. From engine repair, color theory, machine engraving, culinary treats, and so much more, future GI-TEC students were able to see what CTE is all about!

# ACTE - Teacher of the Year

## The Association for Career and Technical Education:

Each year, the Association for Career & Technical Education awards individuals who have made extraordinary contributions to CTE, programs that exemplify the highest standards, and organizations that have conducted activities to promote and expand CTE programs.

The ACTE Excellence Awards recognize excellence and dedication within the field of Career Technical Education among ACTE members. Recipients of these awards are exceptional individuals who have contributed to the success of CTE through the quality of their work and their involvement in the CTE community.

As a national organization, ACTE is categorized by State, Region, and National Levels. This year, GI-TEC's very own Digital Media Instructor, Pat Onstott, was awarded the 2022 Michigan ACTE Teacher Educator of the Year for his leadership, innovation, and successful contributions to Career Technical Education.

# ARTICULATION / COLLEGE CREDIT

At Gratiot-Isabella Technical Education Center, students have the opportunity to earn college credit while still in high school. This process is known as articulation. Students can earn articulated college credit by demonstrating successful completion of a GI-TEC program. Gratiot-Isabella Technical Education Center has written articulation contracts with colleges and universities such as:

For more detailed information check out

<http://gi-tec.com/articulation-and-possible-college-credit.html> on the Gratiot-Isabella Technical Education Center's website. Credit may be granted up to a predetermined maximum amount of credit hours, which will be determined by demonstrated student competency levels and/or exams. Please contact Camille Greening, CTE Counselor, (989) 775-2210 x 20858, for more detailed information.
